TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "**Agreement**") dated as of January 4, 2009, is made by and among the Grantors listed on the signature pages hereof (collectively, jointly and severally, "**Grantors**" and each individually "**Grantor**"), and Wells Fargo Foothill, LLC, a Delaware limited liability company, as agent for the Secured Parties (in such capacity, the "**Agent**").

WITNESSETH:

WHEREAS, pursuant to that certain Senior Secured Credit Agreement, dated as of January 4, 2009 (as amended, restated, supplemented, modified, renewed or extended from time to time, the "**Credit Agreement**"), by and among Building Materials Holding Corporation, a Delaware corporation, as borrower ("**Holdings**"), certain subsidiaries of Holdings as "Guarantors", the lenders from time to time party thereto (collectively, the "**Lenders**") and Agent, the Secured Parties are willing to make certain financial accommodations available to Holdings pursuant to the terms and conditions thereof; and

WHEREAS, Grantors and Agent are parties to that certain Security Agreement dated evenly herewith (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "**Security Agreement**");

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Agent, for the benefit of the Secured Parties, this Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** Each Grantor hereby unconditionally grants, assigns, and pledges to Agent, for the benefit of the Secured Parties, to secure the Secured Obligations, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "**Trademark Collateral**");

(a) all of its trademarks and trademark intellectual property licenses to which it is a party including those referred to on Schedule I hereto;

(b) all goodwill, trade secrets, proprietary or confidential information, technical information, procedures, formulae, quality control standards, designs, operating and training manuals, customer lists, and other General Intangibles with respect to the foregoing;

(c) all reissues, continuations or extensions of the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each trademark and each trademark intellectual property license; and

(e) all products and proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any trademark or any trademark licensed under any intellectual property license or (ii) injury to the goodwill associated with any trademark or any trademark licensed under any intellectual property license.

Notwithstanding the foregoing, such grant of a security interest shall not extend to, and the term "Trademark Collateral" shall not include any General Intangibles which are now or hereafter held by any Grantor as licensee, lessee or otherwise, to the extent that (i) such General Intangibles are not assignable or capable of being encumbered as a matter of law or under the terms of the license, lease or other agreement applicable thereto (but solely to the extent that any such restriction shall be enforceable under applicable law), without the consent of the licensor or lessor thereof or other applicable party thereto and (ii) such consent has not been obtained; provided, however, that the foregoing grant of security interest shall extend to, and the term "Trademark Collateral" shall include (A) any General Intangible which is Rights to Payment or a proceed of, or otherwise related to the enforcement and collection of, any Rights to Payment, or goods which are the subject of any Rights to Payment, (B) any and all proceeds of such General Intangibles to the extent that the assignment or encumbering of such proceeds is not so restricted and (C) upon any such licensor's, lessor's or other applicable party's consent with respect to any such otherwise excluded General Intangibles being obtained, thereafter such General Intangibles as well as any and all proceeds thereof that might have theretofore been excluded from such grant of a security interest and the term "Trademark Collateral".

3. SECURITY FOR OBLIGATIONS. This Agreement and the security interest created hereby secure the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantors, or any of them, to the Secured Parties.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, which is registered or becomes registered or the subject of an application for registration with the U.S. Patent and Trademark Office, the provisions of this Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Agent with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantors' obligations under this Section, Grantors hereby authorize Agent unilaterally to modify this Agreement by amending Schedule I to include any such new

trademark rights of Grantors. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by other electronic method of transmission shall be deemed an original signature hereto.

7. CONSTRUCTION. Unless the context of this Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Agreement or any other Loan Document refer to this Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Loan Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms of the Credit Agreement) of all Obligations other than unasserted contingent indemnification Obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns.

8. GOVERNING LAW; JURISDICTION AND VENUE; SERVICE OF PROCESS; JURY TRIAL WAIVER. EACH GRANTOR AND AGENT AGREE THAT THE PROVISIONS IN THE CREDIT AGREEMENT WITH RESPECT TO GOVERNING LAW, JURISDICTION AND VENUE, SERVICE OF PROCESS, AND JURY TRIAL WAIVER ARE APPLICABLE TO THIS AGREEMENT AS IF FULLY SET FORTH HEREIN.[signature pages follow]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
